

## **Novatus, Inc. Announces Official Company Launch**

**Orlando, FL** — February 5, 2009: Novatus, Inc., announced their official launch as a superior pure play contract management software provider.

Novatus delivers contract and compliance management software via On-Demand SaaS delivery and On- Premises installation. With a focus on customer driven requirements, mobility and integration, Novatus provides the right fit for companies seeking a proven provider with superior technology who offers cost efficient applications and rapid deployment.

The Novatus executive leadership team is comprised of domain leaders who have been top tier software and services providers since the contract management space formed and evolved into a recognized software category and formal discipline throughout the last decade. Known as key industry experts dedicated to customer satisfaction, they built a highly successful suite of products and a very satisfied customer base comprised of some of the world's most recognizable Global 1000 companies as executives of CMSI.

The Novatus team rejoined in 2008 armed with a decade of proven market experience and a mission to provide superior contract management software and exceptional services to the market. Novatus has a serious commitment to provide customers with functionally rich, yet easy-to-use software, technology and related services. "By running an efficient organization and providing highly flexible and cost effective solutions, Novatus has a successful and compelling business model for clients of every size," said Valerie Stanley, Chief Executive Officer at Novatus, Inc.
